## H. Read the passage carefully.

A man stood in front of the flower shop and wanted to order and send a bunch of flowers for his mother who was in another city. When he came out of the flower shop, he saw a girl sitting beside the shop crying. The man went to her and asked, "why are you crying?" The girl answered while crying, "I wanted to buy a rose for my mother but I only have 500 Tomans while a rose is 2500 Tomans." The man smiled and said, "I will buy you one. Come with me."

When they came out of the flower shop, the man asked, "Where is your mother? Can I take you there?" The girl took the man's hand and said, "Over there" and pointed to the cemetery.

The man took her to the cemetery and the girl sat on a fresh grave and put the rose on it. The man became sad and went back to the flower shop and bought a bunch of flowers and drove to see his mother and gave the flowers to her.

Now generate some questions using the following question starters. Then answer them.

Where	
Why	
What	
Who	

Good Luck

If we lose love and self respect for each other, this is how we finally die.

Maya Angelou
